# Congratulations!

**Way to go to our Griffin Gold Winners!  
Congratulations Joshua Sand, Noah Nishioka, Maggie Usselman, Owen Pepper, and Tyler Murao.  
WE ARE SO PROUD OF YOU!**

Congratulations to our Science Olympiad team. They placed 3<sup>rd</sup> in the state of Nevada. After a semester of studying their testing events and another semester of building events, their hard work paid off. With only 13 students on the team they pulled together and made it happen once again.

### Please excuse the ERROR!

I apologize that last week, I misnamed Ian Ellsworth as Ian Fritz. IAN ELLSWORTH qualified for the National Finals World History competition. Congratulations!

### Reading Tip:

Read between the lines! Learning to infer, or read between the lines, is one key to reading comprehension. Consider these tips for making inferences. Have your child describe the setting. Look for life lessons and have them explain. Use prompts such as, "Why do you think...?" Or "How do you know...?" – Reading Connections.
