First grade rotate centers to focus on math. Geo boards and math games are a way to be engaged and learn at the same time.

THANK YOU!

Thank you to all who participated in our jeans day to raise money for the Girl Scouts to help St. Jude. Your kindness is appreciated. We raised \$219!

Third graders make conversation jars for Thanksgiving. Remember, asking questions and talking with our children is the best way to see where they are coming from.

"It is not what we say about our blessings, but how we use them, is the true measure of our Thanksgiving." - W.T. Purkiser
