Congratulations to Matthew Bruder, Jonathan Vannoy, Breanna Duprey, Santino Uvari, Lincoln Dahlke, and Cina Schroeder. Thank you for displaying one of the six character traits in the pillars of success!

FROM YOUR PRINCIPAL!

What a fantastic start to school. With the roll out of the one to one ipads for students in grades 5-8 and the classroom ipads in grades K-4, apple TVs and mini-macs, we are learning right along with your children. Our school day is a bit longer this year, with instruction ending at 3:00. Please remember that there are car lines for your convenience in front of each of the doors for dismissal. We will bring your children to the car if you choose to use this service. Please respect using the middle school doors as an exit only. During the hustle of pickup, I encourage you to be patient and courteous, as we all should have the same goal in mind, keeping our children safe.

Welcome our new Kindergarteners on their new adventures at SHPS. You will accomplish great things.

**“You can never be overdressed or overeducated.”
– Oscar Wilde**
