Friday:

Congratulations to Walker Usselman, Hailey Smith, Maggie Lapuma, Emma Cusumano, Emma Brown, and Aaliah Barrera Garcia. Thank you for displaying one of the six character traits in the pillars of success!

FROM YOUR PRINCIPAL!

Open house will be Thursday, 9/11. Teachers will be doing the same presentation at 6:00, 6:30 and 7:00 PM, to accommodate those with multiple children. Middle school teachers will all be presenting in the gym, followed by time to visit the classrooms. Specialty teachers will have tables set up in the gym as well. There will be refreshments set up in the cafeteria. This is a time for parents and teachers to discuss information regarding their classrooms. There will not be care for your children. If you need to bring your children, you will be responsible for them.

"Kids tend to do really well when they have structure, and part of that structure is having an afterschool schedule." - Cortese

Thursday after school Miss Jordan engages the young ones by doing a science experiment. Who said Science is boring?
