## SHPS School Highlights!!!

### HEALTH CORNER

"Not Every Hero Wears a Cape. Plan and Practice Your Escape!" is this year's theme for Fire Prevention Week. People tend to underestimate their risk to fire, particularly at home. That over-confidence lends to an overly relaxed attitude toward home escape planning and practice. But in a real fire situation, advance planning can make a life-saving difference. This year celebrates people of all ages who learn about home fire escape planning and practice and motivate their families to action. From young students who learn about fire safety at school to parents who attend a community event like a fire station open house - all of you are heroes because you're taking steps to make your homes much safer from fire.
