SHPS NEWSLETTER

FROM OUR PTO....

It's that time of year again! Fall Festival dates are locked in and we're busy planning an awesome afternoon for you and all the kids. This year, ALL friends and family are invited even if they're not part of the SHPS family. We'll be having rock climbing walls, bungee trampolines, pony rides, petting zoo, inflatables, games, food, DJ, dancing, face painting, etc. It's going to be our biggest and best one yet! As a reminder, ALL net proceeds go to the PTA for reinvestment back into the school. Hope to see you there!!

Pre-Sale Tickets are \$25. Tickets the week of the festival are \$35 and tickets onsite are \$40. Get your tickets NOW and save!!

HEALTH CORNER

Healthy Habits to Help Prevent Flu

The single best way to prevent seasonal flu is to get vaccinated each year. Additional tips include avoiding close contact with people who are sick. When you are sick, keep your distance from others to protect them from getting sick too. Cover your mouth and nose when coughing or sneezing plus wash your hands and avoid touching your eyes, nose or mouth. Clean and disinfect frequently touched surfaces at home, work or school, especially if someone is ill. Stay home for at least 24 hours after your fever is gone except to get medical care or other necessities. Your fever should be gone without the need to use a fever-reducing medicine.
